

## 28th IEEE Workshop on Signal and Power Integrity

May 12-15, 2024 -- Lisbon, PORTUGAL

Standing for almost three decades, the *IEEE Workshop on Signal and Power Integrity (SPI)* has evolved into a noteworthy forum of exchange on all aspects of Signal and Power Integrity, comprising the latest research and developments on design, characterization, modeling, simulation and testing at chip, package, board, and system level. The workshop brings together developers and researchers from academia and industry in order to encourage cooperation.

In view of previous years success, the Committees are hardworking on the 28th Edition which will be held as an in-person event in Lisbon, Portugal. A main goal for *SPI 2024* will be to provide an exceptional level of international exposure for Companies interested in sponsoring the event, by promoting their products and services to all participants, as well as significantly enhancing their visibility and reputation on Signal and Power Integrity expertise.

It is therefore a pleasure to invite your Company to actively support *SPI 2024* under the conditions presented in the next page of this letter, with several sponsorship opportunities available to choose from, each one with different marketing opportunities and attractive benefits. Registration for Sponsors ends on **March 22<sup>nd</sup>, 2024**.

We thank you in advance for your time and attention, looking forward for your contact.

With kind regards,

The Workshop Chairs,

*Joana Catarina Mendes*

Instituto de Telecomunicações,  
Aveiro (POR)

*Nuno Horta*

Instituto de Telecomunicações,  
Lisboa (POR)
